

## Herbert Goodenough's Biography

I was born in Newcastle upon Tyne and lived and worked in Scotland for over 55 years

We moved to Hampshire to be near my family in the spring of 2014. We feel privileged to live in such a warm comfortable house as we have on Sherfield Park, in comparison with the rigours of ancient houses in the Borders of Scotland.

Though trained as an Architect, I worked in Advertising and Public Relations for over 30 years, before running my own successful business importing and supplying the Gift Trade in Edinburgh.

I have been elected as Chair of Community and therefore have responsibility to progress on those items of concern to our new Parish. This will include working on the Website, helping to find the answer to the slow broadband, and the maintenance and repair of the rights of way on both sides of the Estate.

I have a keen interest in the outdoors and started a website of Sheffield Park Gardeners to enrol volunteers to help me beautify our surrounding, and we now have the opportunity to take this further.
